**Declaration of commitment by Institut Químic de Sarrià, CETS Fundació Privada to the Principles of "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers"**

Institut Químic de Sarrià, CETS Fundació Privada welcomes and supports the Recommendations of the European Commission 2005/251/EC on "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers".

Within its legal boundaries, Institut Químic de Sarrià, CETS Fundació Privada hereby commits itself to applying the stated principles via its human resources policies for researchers and to promoting transparency, accessibility, equity, and the pursuit of excellence in the recruitment of researchers.

In adhering to this Recommendation, Institut Químic de Sarrià, CETS Fundació Privada will reinforce its effort to create the best possible framework within which its researchers can develop their careers, while at the same time contributing to the development of the European Research Area.

Dr. Pedro Regull
