

ENGAGE IN DEVELOPING THE TOOL

RESEARCHERS BEYOND ACADEMIA PRACTICE

by euraxess

Join us as a tester for an innovative tool developed by FECYT, aiming to support researchers in discovering non-academic career paths. This opportunity allows you to explore diverse professional roles and contribute valuable feedback

DETAILS

- **What's Involved:** Testing 2 practice scenarios, offering your feedback, and participating in a 1-hour online focus group.
- **Time Commitment:** Each scenario will take 2-3 hours. The focus group is scheduled for 1 hour.
- **Compensation:** €200 offered for your valuable time and input.

8 ROLES:

- Innovation Manager
- Data Scientist
- Medical Scientific Liason
- Medical Writer
- Clinical Research Associate
- Research Evidence Officer
- Field Application Specialist
- Scientific Journalist

IMPORTANT DATES

- Deadline to Register Interest: 10th December
- Practice Cases Delivery: First half of March
- Survey Completion Deadline: Within 2 weeks of receiving the practice cases
- Focus Group: Second half of March
